

COUGAR SPRINGS SENIOR LIVING COMMUNITY GIVES MONEY TO MEALS ON WHEELS

Nearly three quarters of a million American senior citizens over the age of 65 and living alone have difficulty providing themselves with a steady supply of food and experience some degree of hunger, according to a recent study prepared by the Meals On Wheels Association.

These statistics are unacceptable and we at Cougar Springs wanted to help! During the month of March, 50% of the community move in fees from all new residents were donated to our local chapter of Meals On Wheels to supplement their March For Meals campaign, an annual national event to raise awareness of senior hunger and to encourage action on a local level.

Please join us in the fight to conquer these statistics and help our seniors have a better quality of life.
